

Officer Objectives	Indicators of success	Officer Progress Report	Officer Self Assessment
I will review the Student Group Funding process	A written report approved by Better Union Forum that shows the success of the first year, and problems found and recommendations for the future	I have assessed the situation of student group accounts and will be devising a questionnaire to go to club captains meetings , I am also in contact with other unions to find out how they organise their funding. I have written the reconditions report that is to go to the better union forum	
I will ensure that Student Groups have the facilities they need	All priority clubs will be in City Council Lifestyles facilities by September All clubs will be aware of the opportunity to use Lifestyles facilities	This objective has been fully met and completed. All priority sports clubs do have somewhere to train after upheaval this summer and all clubs are aware of the Lifestyles officer to students.	
I will lead for LiverpoolSU on discussions about a new building at Copperas Hill	LiverpoolSU demands for a new space for a students' union will be produced, accepted and met	I have given a list of what we want from a new LiverpoolSU headquarters to the LJMU Director of Infrastructure Services and it has been accepted. The Director of Infrastructure Services came to the LiverpoolSU Trustee Board to present his initial thoughts and we are continuing to talk about this objective with him. Specific plans for the union building will start as soon as student numbers has been confirmed for the next few years. Students views about the new building will be collated in the better union forum and then be presented to the director of infrastructure services	
I will run one successful campaign with each of the Delegates I support	Each Delegate will run a successful campaign that will create positive impact for students	Delegate training has taken place and campaign ideas are set	
	RAG will hold various events	RAG society spoke at national zone conference.	

<p>I will ensure that RAG is a successful and competent society</p>	<p>that involve staff and students in different charitable events that improve the union reputation and our social commitment</p>	<p>Have so far raised £500 for children in need £1000 for Movember and are working with at least 5 separate societies. The future of rag report will be presented at the better union forum and implemented after approval</p>	
<p>I will I increase the involvement of Student Groups in the union</p>	<p>There will be greater footfall in LiverpoolSU facilities, which will have greater profit and higher satisfaction</p>	<p>We have started AU nights in the Haigh monthly; a sponsorship deal has been made with clubs and societies. All sports tour is organises for April.</p>	
<p>I will support a create a self sustaining Inter-faith Forum</p>	<p>The Inter-faith Forum will exist without control or organisation from LiverpoolSU and I will be invited to the Forum to be held accountable.</p>	<p>Interfaith forum has happened with a low turnout rate. I will assess the need of the interfaith forum and review our system of support</p>	
<p>I will promote alternative social events for non-engaged students</p>	<p>More mature students will be involved in our union activities and our governance</p>	<p>There is a full programme of arts and culture events that occur throughout the year and students can now get discount.</p>
